Blake,

I am available to deploy to New Mexico anytime in the next 3 weeks. I am currently in a training course in Oklahoma and will be back in the DFW on Tuesday afternoon and back in the office by Wednesday. Please let me know if there is anything I can do to help. Thank you for your time.

Best Regards,

Please share your availability over the next 3 weeks to provide support on the Gold King Mine response. We especially need to know of immediate deployment capability, this week.

Thanks.
